(12/4/18)

RULES & REGULATIONS FOR REGION 8

Compilation of Region 8 USA Gymnastics Committee Minutes

Revised 03/2024

Judges selected for the National Rotation (JO Nationals or Easterns) must re-apply for consideration in each subsequent cycle.

The procedure used for the first draw follows:

JO Nationals

1. Drew 2 Brevets and 2 Nationals from separate hats for 2020.
2. If the judge drawn from the hat had a national assignment in 2019, the judge was moved to the next year.
3. If the next judge drawn from the hat was from the same state as the previous judge(s) drawn, the judge was moved to the next available year.
4. This process resulted in all eligible judges (n = 16) being assigned to one National meet in the four-year period.
5. Note: Mary Lou and Toni asked to be removed from the rotation; Deb asked to be an alternate in all years unless she was needed.

Easterns

1. Drew 1 Brevet from a hat for each of the four years to ensure Region 8 would have a judge eligible to be Chief Judge at Easterns.
2. Put all remaining Brevets, Nationals, and the four "New Judge" slips in one hat and draw for remaining years.
3. If judge had a national assignment in 2019, the judge was moved to the next year.
4. If the next judge drawn was from the same state as a judge already drawn for a particular year, the judge was moved to a different year.
5. This process resulted in 16 of the 19 eligible judges being assigned to one Eastern meet in the four-year period.

Alternates

1. Judges were assigned to alternate slots in years in which they were not judging Nationals or Easterns.
2. Judges who were not drawn to judge Easterns were given an extra alternate spot if possible.
3. The alternate list can be used to help the committee select replacements based on state and rating (Brevet or National) of the judge to be replaced or may be selected on other criteria as appropriate (e.g. geographic location, availability, etc.) (6/27/19).
4. The Committee decided to select alternate judges on an annual basis rather than project four-year assignments for alternates.
5. Note: Because there were more judges eligible for assignment to Easterns than there were slots available, three judges in the rotation did not receive an Easterns assignment. The Committee agreed that these three judges would be given priority consideration for Easterns if a slot became available and if they met the criteria for replacing that slot. In addition, One judge had to decline Easterns in 2020 and she was added to the list for consideration for a future Easterns assignment.

If a Regional judging emergency occurs within 24 hours of a Regional meet, the Regional Committee shall give authority to the RTCC to adjust assignments. If possible the RTCC shall contact other Regional Committee officers. (6/17/10)

Region 8 will use NAWGJ as the regional judging contractor. (6/23)

The number of judging slots for Eastern Nationals and JO Nationals received by Region 8 will be filled based on the number of judges in the National judges' rotation. Should a judge who is in a slot eligible for assignment make the decision not to take the assignment, or not judge once assigned, the judge may be added as an alternate in a subsequent year. The Region 8 USA Gymnastics Committee will make a decision about a future assignment, if any, on a case-by-case basis. (12/10/19)

The name of the Brevet/National that did not fulfill an assignment should be shared with the Region 8 Committee prior to the current year discussion. Decisions about a future assignment will be on case by case basis.

Extenuating Circumstances: Should an emergency situation occur and cause the assigned Brevet to miss his/her assignment, an alternate judge will be assigned from those eligible in the National Rotation. The situation will be presented to the Region 8 committee to determine if the affected judge will be added as an alternate in a future year or given an assignment should a slot become available. (12/10/19)

CRITERIA FOR NATIONAL ASSIGNMENTS
